Contract clauses

1. Current reporting

The customer receives a Basic operational dashboard with weekly summary metrics and downloadable CSV reports.

2. Exclusions

Advanced analytics, predictive insights, automated recommendations and role-specific dashboards are outside the current scope.

3. Optional upgrade

Advanced Analytics may be added under a separate subscription. The parties must agree data sources, user roles and implementation scope.

4. Data quality

The customer is responsible for the accuracy and completeness of source data supplied for reporting.

5. Access

Dashboard access is limited to named customer users approved by the customer administrator.

Demo intelligence notes (for testing only)

Potential upsell: Basic Operational Dashboard to Advanced Analytics. Potential cross-sell: predictive insights, if available in the catalogue.
